

### **Interview for Selection of Junior Research Fellow**

|                                        |                                                                                                                                                                                                                                                                                            |
|----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Name of the Project                    | : Deep Ocean Mission project titled “Understanding the molecular mechanisms that confer adaptation to deep-sea habitats in selected fishes through whole genome and transcriptome sequencing”                                                                                              |
| Name of the Post                       | : <b>Junior Research Fellow</b>                                                                                                                                                                                                                                                            |
| Date & Time of Interview               | : <b>19.11.2025 at 11:00 AM</b>                                                                                                                                                                                                                                                            |
| Mode of interview                      | : Offline.                                                                                                                                                                                                                                                                                 |
| Number of Vacancy                      | : Two                                                                                                                                                                                                                                                                                      |
| Nature and duration of the Post        | : Two years or till the duration of the project                                                                                                                                                                                                                                            |
| Age limit                              | : 35 years for men and 40 years of women                                                                                                                                                                                                                                                   |
| Emoluments                             | : 37000/Month+20% HRA                                                                                                                                                                                                                                                                      |
| Educational qualification<br>Essential | : <ol style="list-style-type: none"><li>1. Master’s degree in Molecular Biology/Biotechnology/Bioinformatics/Genetics/Fisheries/Marine Biology/ Life Sciences or Equivalent degree.</li><li>2. The candidate should have qualified CSIR/UGC/ICAR NET/ GATE examination</li></ol>           |
| Desirable                              | : The project involves extensive sampling trips in research vessels. Candidates should be seaworthy and willing to undertake short duration cruises in open sea. Experience in swimming.<br><br><b>Conditions:</b> Candidate should be ready to work onboard vessels for multiday sampling |

Note: Mail your resume and scanned copies of original certificates to [deepseagenomics@gmail.com](mailto:deepseagenomics@gmail.com) on or before 12.11.2025 for screening. Short listed candidates will be informed by 14.11.2025 through email. Only those received the interview call need to attend the interview.

**Terms and conditions:**

1. The candidates called for physical interview are not entitled for TA/DA.
2. This temporary appointment will be for a specific period and their services will automatically stand terminated either with the termination of the mentioned period or even before at the discretion of the Competent Authority. The appointment will not bestow upon them any claim for regular employment at ICAR-CMFRI.
3. The eligible candidates may appear for interview at ICAR-CMFRI, Kochi on the date specified.
4. Candidates should bring their bio data enclosed with attested copies of the testimonials if they are called for a physical interview.

**Bio-data:-** Name, Father's Name, Date of Birth, Address, Academic Qualifications, Percentage of marks obtained in qualifying examination, Research experience, Whether SC/ST/OBC, Signature of the Applicant. Application should contain a recent photo of the applicant.

6. The Director, ICAR -CMFRI reserves the right to fill up or not to fill the vacancies notified in this advertisement.
7. Canvassing in any form is prohibited.
8. At the end of the assignment such staff will not have any right to claim any employment or engagement. The assignment will not bestow upon them any claim for regular employment at ICAR-CMFRI or any other ICAR Institutes.

Principal Investigator
